Inclement Weather

As we move into Fall and Winter, please note that any messages related to inclement weather will be relayed via WNEM TV 5 and Facebook. We will also send a text message and phone call. When school is closed Childcare will also be closed. We will often follow the decisions of Bay City Public Schools when deciding when to close school for inclement weather.

Mark your calendars for November 9 & 10 for Parent Teacher Conferences. More information will be coming soon as to how to sign up.

What is a Making Better Choices form? This form is part of our discipline program here at Zion. If your child receives this form, please sign and return it to school the next day. Children may be asked to fill out this form regardless if an action requires a consequence to be assigned. The form requires them to reflect on their individual choices and consider better alternatives while thinking about how they can respond differently in a variety of situations in the future. This strategy is a great way to increase self awareness and accountability. The Making Better Choices form will also be used to document when consequences have been given so that there is consistent communication between home and school. We ask for your support with this strategy. If you ever have any questions, please be sure to reach out to your child's teacher.

Don't forget to turn in your vaccination records if you have not done so yet! The deadline is November 1

Our teachers are using Class Dojo as a communication tool. Please set up an account so that you can stay up-to-date on your child's classroom happenings. If you need assistance please contact your child's teacher.

We are looking to hire additional high quality, Christian Childcare workers. If you know someone that might be a good fit for Zion, please encourage them to reach out Logan at childcare@zionbaycity.org
