God & Family

This week in chapel Mrs. Priem shared with us one of the most amazing walks in the Bible as Jesus walked on water to the disciples in the middle of the storm and then invited Peter to walk on the water towards Him and when Peter began to sink into the water, Jesus reached down and saved Him, pulling Him up out of the water and rescuing His disciple. What a beautiful lesson for us during the fearful times of life to trust that Jesus is by our side, that Jesus reaches down to save us, that Jesus rescues us. Our school kids at chapel sang the hymns they will share on Sunday morning at our 9:30am worship service as our school community gathers for our first all school sing of the year and what beautiful words they will sing about the God who is holy as they shout their praises to the Lord. We look forward to all of you joining us for this special time as the family of God rejoicing in all of God's good gifts to us.

TEACHER CORNER

FEATURED TEACHER OF THE WEEK: MRS. PRIEM

First graders have been busy learning about Old Testament Bible stories. We made a baby Moses the other day after reading about how his mother put him in a basket to save him. In math, we have begun adding sums 0-9 and practicing facts using dominos. Our reading groups are up and running and we are sending decodable books and high frequency home for practice and we begin spelling words next week. Please pray for our "firsties" as we work on solidifying our classroom routines and practice how to honor God, people, and property.
