From Pastor Baerwolf

Abiding in Jesus' Love (John 15:9)

Jesus speaks words of deep comfort to us: "As the Father has loved me, so have I loved you. Abide in my love" (John 15:9). The same perfect love the Father has for His Son is the love Jesus has for us and for our children. That love does not change when we fail or struggle—it remains steady and strong. Jesus invites us to live, rest, and grow inside that love every day. When we stay close to Him through His Word and worship, our hearts are filled with peace, hope, and confidence. We encourage families to gather around Jesus in worship at your home church and with us at Zion on Wednesdays at 7 PM, Saturdays at 5 PM, or Sundays at 9:30 AM.

Dear Zion Lutheran School Families,

As February approaches, I find myself looking forward to the longer days, the return of more sunshine, and, hopefully, a bit of warmer weather.

I'd like to call your attention to an exciting professional learning opportunity that our teaching staff will be participating in this March. To support this important development, we will need to make adjustments to our **school calendar**.

On **March 19 and 20**, our teachers will attend the **Michigan Association of Computer Users in Learning (MACUL) Conference** in Grand Rapids. This annual event is recognized as one of the premier educational technology conferences in the region, offering high-quality learning experiences designed to strengthen instruction and enhance student learning.

The MACUL Conference provides several key benefits to educators:

- **Access to cutting-edge tools and resources:** Teachers will learn about innovative technologies and strategies that directly support classroom instruction.
- **High-quality professional learning sessions:** With nearly 300 sessions available, teachers can choose workshops that align with their instructional goals and our school's needs.
- **Growth in instructional practice:** Conference sessions challenge educators to build new skills and explore updated pedagogical approaches that benefit all learners.
- **Renewed inspiration and motivation:** Featured speakers, hands-on demonstrations, and innovative presentations help educators return energized and ready to implement new ideas.
- **Hands-on exploration of new tools:** With nearly 200 educational technology companies represented, teachers can experience new solutions firsthand.

We believe that this experience will meaningfully enhance our teachers' skills, strengthen instructional practices, and ultimately benefit our students. Thank you for your support as we invest in continued growth for our staff and learning community.

Blessings,

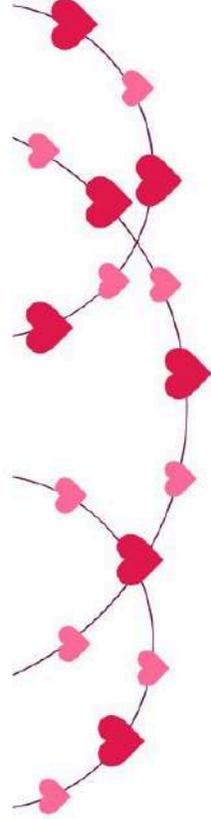

Mr. Michael Connors
